Johnson, D., Mitchell, L., 2001, A UV Protected Petroleum Spray Oil for Enhanced Efficacy of Biological Pesticides. *6<sup>th</sup> International Symposium on Adjuvants for Agrochemicals* Amsterdam. Ed. Hans de Ruiter, ISAA 2001 Foundation, 2001.

The Physical Compatibility of Various Petroleum Spray Oil formulations in Tank-Mixtures with EC and WDG Herbicides. *6<sup>th</sup> International Symposium on Adjuvants for agrochemicals* Amsterdam. Ed. Hans de Ruiter, ISAA 2001 Foundation, 2001.

Johnson, D., Hodgkinson, M.C., 1999, Some Useful Bioassays for Guidance of Petroleum Spray Oil Formulations. In *Proceedings of Spray Oils – Beyond 2000*, Beattie GAC, Watson DM, Stevens M, Rae D, Spooner- Hart R., eds. University of Western Sydney, 2002.

Johnson, D., Hodgkinson, M.C., Joyce, D. 1999, Potential Effects of Petroleum Spray Oils on Abscission, Senescence and Stress Physiology of Citrus. In *Proceedings of Spray Oils – Beyond 2000*, Beattie GAC, Watson DM, Stevens M, Rae D, Spooner- Hart R., eds. University of Western Sydney, 2002.

Hodgkinson, M.C., Johnson, D., Smith, G. 1999, Using FTIR to Predict the Potential for Petroleum Spray Oils to Photodegrade. In *Proceedings of Spray Oils – Beyond 2000*, Beattie GAC, Watson DM, Stevens M, Rae D, Spooner- Hart R., eds. University of Western Sydney, 2002.

Hodgkinson, M.C., Johnson, D., Smith, G. 1999, Causes of Petroleum Spray Oil induced Phytotoxicity in Horticulture. In *Proceedings of Spray Oils – Beyond 2000*, Beattie GAC, Watson DM, Stevens M, Rae D, Spooner- Hart R., eds. University of Western Sydney, 2002.

Johnson, D., Hodgkinson, M.C. and Nicetic, O. 1999, Quantification of Leaf Oil Deposits by Solvent Extraction and FTIR. *Spray Oils – Beyond 2000*, Beattie GAC, Watson DM, Stevens M, Rae D, Spooner- Hart R., eds. University of Western Sydney, 2002.

Ng, J., Johnson, D., Imray, P., Chiswell, B. and Moore, M. R. 1998, Speciation of Arsenic Metabolites in the Urine of Occupational Workers and Experimental Rates Using an Optimised Hydride Cold-Trapping Method. *Analyst*, **123** 929-933.

---

Johnson, D., Sadler R., Chiswell, B. 1996 Measuring Manganese Oxidation in Lakes and Oceans. Chemistry in Australia.

Chiswell B and Johnson, D. Microorganisms and Manganese Cycling in a Seasonally Stratified Dam. *Water Research*, 1995, 2359-2365.

Johnson D. and Blumke, G. 1995, Dithiocarbamate Residues in Vegetables. Survey March to May 1994. Queensland Health.

Chiswell, B. and Johnson, D. 1994 Manganese, in: *Handbook on Metals in Clinical Chemistry*, (H.G. Sella, A. Sigel and H. Sigel, Eds.), Marcel Dekker, Inc.

Johnson, D and Chiswell, B. A New Method for the Evaluation of Oxidising Equivalents of Manganese in Surface Freshwater. *Talanta* 1993.

Chiswell B., Johnson D. Formaldehyde, Azide and Tetracycline as Microbial Poisons in the Study of Freshwater Manganese Oxidation. In preparation.

Williams, D., Moratti S. and Johnson, D. A Database for the Modelling the Chemical Speciation of Boiler Water. *Corrosion*, 1992.
